## WHO WE ARE?

### The Story Behind Huatan

Over 15 years of experience and 10+ million square feet of successful projects

International firm at the forefront of technology in design, architecture, and environmentalism

Our services include landscape architecture, maintenance and reforestation, and irrigation system solutions

## Huatan's Gardens

### In-House Plant Nursery

At Huatan Landscaping, we take pride in our in-house nursery, Huatan Gardens. This unique feature allows us to provide a diverse selection of high-quality plants directly to our clients, ensuring competitive pricing and exceptional value. By sourcing our own plants, we maintain greater control over quality and availability, making our landscaping process smoother and more efficient. Choose Huatan Landscaping for unparalleled plant variety, affordability, and seamless service.
